SELECTED EXPERIENCE

Machine Learning Engineer | Data Scientist · Apr 2024-Present

ADC Scientific Consulting, USA. (Self-employed)

- Developed and deployed 10+ end-to-end Machine Learning projects, showcasing high-accuracy and efficient models in a [GitHub Portfolio](#).
- Enhanced AI consulting expertise through research and applying state-of-the-art Machine Learning techniques for predictive finance, anomaly detection, computational chemistry, wine quality assessment, biomedical research, image classification, and clustering. Optimized existing Machine Learning algorithms to enhance performance, resulting in a 25% reduction in computational costs.

Postdoctoral Research Scientist · Feb 2023-Jan 2024

Vanderbilt University, USA

- Led a project integrating Density Functional Theory (DFT) and Machine Learning to predict catalytic material properties with over 85% accuracy, resulting in a peer-reviewed publication.
- Implemented computational chemistry simulations and developed Python scripts to automate data collection and processing, enhancing efficiency by 80%.

Doctoral Research Scientist · Oct 2018-Dec 2022

University of Bremen, Germany

- Led 3+ multi-year research projects, resulting in 4 peer-reviewed publications and developed data science solutions resulting in a 50% reduction of processing time.
- Directed data modeling and advanced simulations for computational chemistry, delivering insights in 10+ talks at scientific meetings. Built and led interdisciplinary teams, fostering collaborations across five countries (Germany, Spain, China, USA, and France)
- Collaborated on the development of Deep Learning models for molecular property prediction, improving predictive accuracy and reducing computational time.

EDUCATION

Ph.D. in Physics (Dr. rer. nat.) · 2022 · University of Bremen, Germany

B.Sc. in Radiochemistry · 2014 · InSTEC-University of Havana, Cuba

SKILLS

- Machine Learning · Deep Learning · Data Analytics · Quantitative & Statistical Analysis
- Programming · Project Management & Communication · Computational Chemistry
- Cheminformatics & Molecular Modeling · Interdisciplinary Research & Collaboration

CERTIFICATIONS

- **Deep Learning Specialization** by Stanford University & DeepLearning.AI on Coursera.
- **Machine Learning Specialization** by Stanford University & DeepLearning.AI on Coursera.
- **AI for Everyone** by Stanford University & DeepLearning.AI on Coursera.
- **ChatGPT Prompt Engineering for Developers** by DeepLearning.AI on Coursera.
